

# Z-notes™

## HUSQVARNA TC250 2012

### Item

Z-Fi MX fuel injection tuning

### Part #

F1133

### Notes:

Same product as the 2013 TC310

Easy plug and play installation

Like all Z-Fi MX units, stores two fuel maps

Suggest Map Select Switch (part #127078)

Multiple AFR's of 13.0 & 12.5 were used to get maximum power at full throttle

This product will come pre-programmed with 2 enhanced fuel maps:

- Map 1 slot is loaded for the TC250
- Map 2 slot is loaded for the TC310
